EDMONTON'S NEW PRO HOOPS TEAM SCHEDULES NEWS CONFERENCE

Edmonton, Alberta—The Edmonton Chill, the City of Champions' newest professional sports team, have announced a news conference to officially kick off their first season in the International Basketball League. Members of the Chill front office, as well as IBL Commissioner Mikal Duilio will be on hand to discuss the Chill and the league as whole.

10235 101st St. NW, Edmonton, AB

The Edmonton Chill's inaugural season gets underway in March 2008 when the IBL begins its fourth season of competition.

Two unique features distinguish the IBL from other professional basketball leagues:

1. An entertaining game. By allowing only one timeout per quarter, and reducing the time between plays with an immediate inbounds policy, IBL games are always fast and entertaining. IBL teams average 127 points per contest; just as important—games last only two hours.

2. Extremely low travel costs. The IBL promises a maximum of one trip per season requiring air travel. This 'one flight guarantee' that teams enjoy promotes financial health and longevity for IBL teams. In fact, **all 17 teams** completed the first IBL season (the 2005 season); as well, **all 24 teams** completed the 2006 season. The 2008 season will tip off in March of 2008.
